## Novotel, Auckland Airport

To make travel easier and more cost-effective, we're hosting this year's Principals Retreat near the Auckland airport - so you can fly in and out on the same day if needed. This will be a fantastic opportunity to come together for a strategic and forward-thinking meeting, sharing ideas and setting the course for success. Your input is invaluable, and we truly appreciate the insights and experience you'll bring to the table.

## Delegate Price
